PROMOTION OF QUALITY

Registration of Company Members with Voluntarily Implementation of Relevant Quality Management Systems *(Approved by Board on 16/6/2017)*

1. Objective : To promote the advancement of quality and its application, especially for members in their industry and business.
2. Method : IQM is to manage a promotion scheme to register its Company Members (sole proprietors, partnership, private limited company or listed company members) who have Voluntarily implemented a relevant international quality management systems.

The successful Voluntarily implementation of the relevant quality management system shall be audited by one of the qualified IQM/MRCA Auditor. A certificate can be issued with the relevant details and thereafter registered by IQM/MRCA under this scheme.

The relevant international quality management systems shall be those accepted by IQM/MRCA from time to time.

This scheme is applicable to Company Members in Malaysia and globally overseas.
3. Benefits : The benefits to such registered Company Members shall include:-
 - 1) They will receive a certificate and allow to use IQM Logo for promotion activities within a validity period.
 - 2) IQM will promote such Company Members in IQM website.
 - 3) IQM will keep such a register and promote these registered members from time to time.
 - 4) IQM/MRCA will add further benefits to such registered Company Members from time to time.
4. Specific Requirements : This scheme shall be governed by:-
 - 1) Rules and Constitution of IQM, and
 - 2) MRCA Certification Programme requirements.
5. Other Requirements : The other requirement such as function, operation, responsibility and management of this registration scheme shall be according to normal practices of IQM Board of Management with the assistance of IQM Secretariat. This shall include collection of fees, issuance of certificates, keeping of register and any other relevant expenses.
