

IQM National Quality Expert (NQE) Programme

1) Policy and Aim

- 1.1 It is the policy of IQM to promote Quality in all aspect of business including the promoting of eminent IQM Members with Special Quality expertise in a specific field or sector of business.
- 1.2 IQM hereby establish a programme under IQM-MRCA Scheme to identify, select and nominate a Member with Special Quality expertise to be a **National Quality Expert (NQE)**, in each field or sector.
- 1.3 The aim is to recognize prominent IQM peer and support him/her with elevated position to compete in the global Quality industry and business.

2) Nomination and Approval

- 2.1 IQM Board Members are entrusted with the task to nominate their peers to the relevant field or sector as a **National Quality Expert (NQE)**. Such nominated candidate shall be approved by Majority of the Board Members.
- 2.2 In the event there is more than one Expert in the same field then they shall be differentiated with separate sub-fields or sub-sectors.

3) Terms & Conditions

- 3.1 The nominee shall be a valid IQM Member with a good knowledge on Special Quality expertise in specific field or sector of business.
- 3.2 The nominated or approved candidate (NQE) may serve in IQM professional **Dispute Resolution Committee** whenever necessary.
- 3.3 IQM may propose such candidate (NQE) to represent IQM in the Malaysia **National Industry Standards Committee** or request by **Authority or Government Department** or any **National Technical Committee**.
- 3.4 IQM may propose such candidate (NQE) to represent IQM in any International Conference or Seminar.
- 3.5 IQM shall have the right to include the name of such NQE in any IQM publication, newsletter, letter head, brochure or any other relevant official documents.

4) Certificate and Duration

- 4.1 A Certificate of **National Quality Expertise** will be issued to such IQM National Quality Expert (NQE) with the specific field or sector described therein. A minimal fee may be charged to cover the stationery and administration expenses.

- 4.2 The validity for each Certificate shall be for a period of three (3) years. Unless the NQE resign from such nomination prior to expiry or whenever such NQE is no longer a valid member of IQM according to the IQM Rules and Constitution.
- 4.3 The Certificate validity may be extended for another three (3) years by the Board of Management whenever they think fit.

5) **Register**

IQM Secretariat will keep a Register of the NQE candidates within the IQM-MRCA Scheme.

This Register shall be a reference for any external parties or IQM Members who wish to verify the status of IQM National Quality Experts.
